Attention: Tamala Patterson,

Attached is the documentation you requested as per our conversation.

Included is:

Item 1) A signed and dated contract for basic maintenance FRN 1266375 for Aggie Reed

Item 2) FCC Registration Number for entity 134968 Sand Coulee School District

Item 3) A bill from Aggie Reed covering FRN 1266375. You indicated that this would be sufficient since there was detailed information about her services on the contract.

Item 4) A bill from 3Rivers for web hosting covering FRN 1266278. I circled the portion of the bill listing web hosting.

I hope this is sufficient to continue processing our form. Please let me know if you need any additional information and thank you for your help.
